RELATING TO UNITED STATES CREDIT CORPORATION

Mr. Fuchs offered the following resolution:

H. C. R. No. 6, Relating to United States Production Credit Corporation, co-operative banks, and emergency relief legislation.

Whereas, Congress at the recent Special Session enacted the Farm Credit Emergency Act of 1933, providing for the setting up of production credit corporations and co-operative banks in the several land bank districts of the United States; and

Whereas, The credit requirements of Texas, which constitutes the Eleventh Federal Land Bank District, are much earlier than any other land bank districts for the reason that crops are planted earlier in Texas than in any other section of the United States, and there is pressing need for immediate assistance for the

farmers about to plant their next year's crops; now, therefore, be it

Resolved by the House of Representatives of the Forty-third Legislature, the Senate concurring, That it most urgently appeals to the Agricultural Credit Administration to take the necessary steps to set up a production credit corporation and co-operative bank in this Tenth Federal Land Bank District at the earliest possible date; and, be it further

Resolved, That we also appeal to the Agricultural Credit Administration to simplify and so liberalize the regulations affecting the Farm Mortgage Relief Program, as provided for in the bill of 1933, to such an extent that thousands of farm and ranch home owners, whose properties are now menaced by foreclosure because of regulations, red tape, and investigations, may take advantage of the benefits of this Act and secure immediate relief in their great distress; and finally, be it

Resolved, That copies of this resolution be transmitted to His Excellency, Franklin D. Roosevelt, President of the United States, and Hon. Henry C. Wallace, Secretary of Agriculture, and the Hon. Henry Morganthau, Governor of the Farm Credit Administration.

Signed—Fuchs, Engelhard, Mackay, Jones of Atascosa, Tarwater, Lotief, Butler, Glass, Roberts, Ray, Dean, Shults, Chastain, McCullough, Camp, Merritt, Jackson, Laird, Devall, Barron, Hoskins, Canon, Stovall, Goodman, Young, Latham, Head, Turlington, Colson.

The resolution was read second time, and was adopted.

RELATIVE TO THE ESTABLISHMENT OF CERTAIN HOSPITALS

Mr. Camp and Mr. Roberts offered the following resolution:

H. C. R. No. 8, Relative to hospital service for destitute unemployed.

Whereas, There now exists in these United States of ours an emergency recognized by the Congress and by the Hon. Franklin D. Roosevelt, President, and

Whereas, In recognition of this emergency, Congress has seen fit to provide means for caring for those

unfortunates known as the destitute unemployed, and

Whereas, In distributing the above-mentioned relief funds the administration has seen fit to prohibit the expenditure of this money to care for emergency operations and hospitalization, and

Whereas, Numerous cases have arisen among our millions of destitute unemployed demanding immediate attention and care which can only be given in hospitals by emergency operations, and are essential to their well-being, and

Whereas, This condition is growing every day in Texas due to the scarcity of city, county, and charity hospitals, and to the depleted condition of charity funds and county funds; now therefore, be it

Resolved by the House of Representatives, the Senate concurring, That the Forty-third Legislature of the State of Texas, in extraordinary session convened, hereby in all sincerity recommend, request, and earnestly urge that the Hon. Harry L. Hopkins, Federal Relief Administrator, use his power, influence, and effort to bring about a change in the ruling providing for the distribution of the above-mentioned relief funds so that the destitute unemployed in need of emergency operations and hospital care may be given that attention, which justice and humanity demand, that those in need be cared for, and as the good Samaritan of Biblical times, let us give first aid and prolong the life of those who can not care for themselves; be it further

Resolved, That a copy of this resolution be sent to the Hon. Franklin D. Roosevelt, President of these United States, and to the Hon. Harry L. Hopkins, Federal Relief Administrator.

CAMP,
ROBERTS.

The resolution was read second time, and was adopted.
